ROADS GO BACK TO OWNERS MARCH 1

PRESIDENT ISSUED PROCLAMATION FIXING DATE FOR END OF GOVERNMENTAL CONTROL—WILSON ALSO ORDERS DISSOLUTION OF RAILWAY EXPRESS COMPANY AT SAME TIME

PERIOD FOR ADJUSTMENT

WASHINGTON, Dec. 26.—Control and operation of the nation's railroads, assumed by the government as a war measure two years ago tomorrow, will revert to the owners of the railroad properties next March 1, unless the congress by legislation fixes an earlier date.

President Wilson, through a proclamation issued last night fixing March 1 as the date of the return, put at rest speculation as to the time of the handing back of the roads. The President in his last announcement regarding the return, made in an address to the congress in May, said he intended to turn back the roads at the end of the present year.

By another proclamation, issued with that in regard to the railroads, the President ordered the dissolution March 1 of the American Railway Express Company, which was formed July 1, 1919, under government direction by consolidation of the Adams, American, Wells-Fargo and Southern companies.

Time for Adjustment.

Extension by two months of the announced time for return of the railroads was made, said a statement from the White House accompanying the proclamation, because the congress had not enacted legislation to meet conditions incident to the change in control and operation. The President, the statement said, had been advised that neither the railroads nor the express companies were ready to manage their properties, if a plan to abandon government supervision December 31 should be entered out.

AN INTERESTING PROGRAM

One of the most enjoyable institutes of the present year was held at Bainbridge, Saturday, December 26, with teachers of Clinton, Monroe and Floyd townships, and several visitors from Greencastle in attendance. Besides the regular work of the forenoon, County Superintendent Wallace gave an interesting and instructive talk along the lines of school betterment.

At noon a community dinner was served by Miss Richards, instructor in domestic science in the Bainbridge schools, assisted by her cooking classes. The following menu was served:

Baked Chicken	Giblet Gravy
Oyster Dressing	Cranberry Sauce
Mashed Potatoes	Baked Beans
Waldorf Salad	Wafers
Hot Rolls	Pickles
	Cheese
Sugar	Coffee
	Cream

After dinner the seventy-five guests were entertained with a program of music, given by the high school students.

Dr. Clement of DePauw University occupied the afternoon in explaining and discussing intelligence tests and educational measurements, a new departure in educational, in which Putnam county is taking precedence.

GAS RATE INCREASE PROBABLE

LARGE CONSUMERS, HOWEVER, ARE THE ONES WHO PROBABLY WILL HAVE TO PAY MORE FOR THEIR HEAT AND LIGHT—SERVICE COMMISSION HAS CASE UNDER ADVISEMENT

NO GREAT INCREASE EXPECTED

Following the hearing of the petition of the Greencastle Gas Company which asked an increase in gas rates in Greencastle, which hearing was held in Indianapolis last Wednesday, the Indiana Public Service Commission took the case under advisement.

It was intimated at the hearing that a slight increase might be granted, but it is probable that under the finding of the service commission only the large consumers of gas will be affected. Is probable that the rate to the small users of gas will not be affected.

WHISKY STILLS AT VINCENNES

VINCENNES, Ind., Dec. 29.—George Morris and Chris. Ehart, of this city, were arrested Saturday about midnight, when the police raided their homes. The men are charged with operating illicit stills for manufacturing whisky. A complete moonshine outfit was found in each place. Both are held in jail pending the arrival of federal officers from Indianapolis.

According to Thomas M. Martin, chief of police, both men have been under suspicion for some time and the police say Morris has been "boot-legging" whisky ever since the state went "dry."

AUTO MURDER ARREST EXPECTED BY SHERIFF

MT. CLEMENS, Mich., Dec. 26.—An arrest in connection with the killing of J. Stanley Brown, found shot in his automobile near here Wednesday, is expected soon, according to Sheriff William Caldwell.

The sheriff said that he was convinced that jealousy figured in the killing, despite the fact that securities of considerable value, at first reported to have been left undisturbed on Brown's person after the shooting, have not been found. The chance that the securities were returned to a safe deposit box Tuesday will be investigated before an arrest is made, Sheriff Caldwell indicated. Part of the securities, said to be worth \$20,000, are known to have been negotiable.

The authorities have learned that the tragedy, which occurred on a country road about four miles from here preceded by only a few days Brown's contemplated departure for Florida to engage in business, Brown,

who was twenty-five years old, is survived by his nineteen-year-old widow, two daughters and one brother. His father, a millionaire cigar manufacturer of Detroit, died several years ago.
